

# **EXPRESSIVE UNIT: NATURAL ENVIRONMENT**

## **S1 HOMEWORK TASK SHEET**

**CfE Level 3** : *Through observing and recording, I can create material that shows accuracy of representation. EXA 3-04a*

### **Task 1**

In your sketchbook, take a new page and produce an observational drawing of the view from a window in your home.

(This can also be completed on a blank piece of paper).

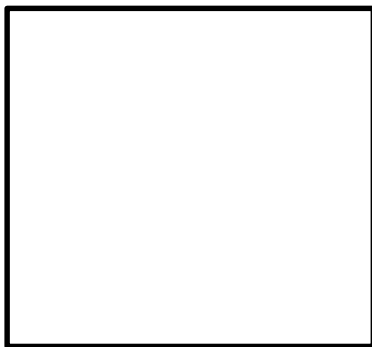

Consider the Visual Elements and apply them in your drawing;

**LINE, SHAPE, TONE, PATTERN AND TEXTURE.**

### **Task 2**

When adding detail to your drawing, consider all the different types of lines, patterns and shapes you can create and apply to show different textures in nature:

How would you represent the following surfaces and details?

Stones

Grass

Bricks

Tree Bark

Roof Tiles

Paving

Can you come up with some of your own?

**REMEMBER TO GET YOUR HOMEWORK SIGNED AND DATED BY YOUR PARENT/GUARDIAN**
